### Whats new for WHEN...

Here we go again! Another school year is fast approaching! I hope all of you are looking forward to it as much as I am.

As President of WHEN, I would like to update everyone on the exciting changes that will be coming this Fall to WHEN!

#### Website:

We are in the process of building a beautiful new website. Along with the unique WHEN events we already provide, the new site will have added security, an extensive resource page full of useful information, and a monthly newsletter. This new website will be much more simple, easy to navigate, and beautifully designed. We are very excited about this project! Stay tuned for updates and our big unveiling this Fall!

#### Membership:

As you know, WHEN provides an amazing service to our homeschool community in the form of Academic Events, Social Events, and Field Trips. Our years worth of Forum posts provide a priceless resource, especially to our new homeschool

families. With these exciting changes, the new membership price for 2018 will now be \$10/year.

For less than \$1 per month, your family has access to so many activities--both curricular and extra-curricular. You also have a wealth of knowledge at your fingertips from those diehard moms who have been in your shoes. With WHEN you have an invaluable resource that can help make your homeschooling journey easier and WAY more fun!
