

W.H.E.N. (Wasatch Home Educators Network)

501(c)(3) EIN: 81-4497961

W.H.E.N. Epic Fair
Fundraising Raffle

May 16, 2022, 5:00pm - 8:00pm
Provo Beach Resort Fun Center

W.H.E.N. is a non-profit 501(c)(3) organization created to support homeschooling families. We are run entirely by volunteers from our W.H.E.N. member families. Our purpose is to provide many engaging social and academic events such as our W.H.E.N. Science Fair, Battle of the Books, and History Fair. With the help of our parent volunteers we organize field trips and classes which offer a wide variety of learning opportunities for the homeschool community.

Every year, W.H.E.N. throws an end of school year party that is open to all homeschoolers, not just W.H.E.N. members. This year we wanted to go big! We are calling it "The W.H.E.N. Epic Fair". With our current membership fees being only \$10 per family, per year, a Fundraising Raffle will help offset membership fees, administrative expenses, as well as increase the quality and variety of activities we provide.

Between our memberships and Facebook groups W.H.E.N. is 1,700+ strong. We are excited to extend the invitation to the W.H.E.N. Epic Fair to the *entire homeschool community* along the Wasatch Front.

We would like to invite your business to make a donation towards the raffle or other contributions, to benefit the homeschool families of W.H.E.N.

For your support, we would like to share your logo that will be linked to your website through December 31, 2022, on our Epic Fair Raffle donors page. Additionally, as each item is raffled we will promote the business providing the donation. We will be providing you with a 1099 for tax purposes so that you may write off your donation.

Our sincerest appreciation,

The W.H.E.N. Board
